

# East Troublesome Fire

## Revegetation Seed Mixes

The Middle Park Conservation District (MPCD) is a division of local government formed under the Colorado Soil Conservation Act of 1937. Its *mission* is to promote the conservation and wise use of land and natural resources in Grand and Summit Counties. To help conserve the lands impacted by the East Troublesome Fire, MPCD has created two mixes specifically designed for the rehabilitation of burned lands in Middle Park. *Please let us know if you have any questions or concerns: 970-724-3456, ext 4.*
